

## Privacy Statement

Source: WordPress

*Our website address is: <https://www.fmhsmusic.com>. This includes Greenwave Band Boosters Inc. and Vocal Arts Foundation of Fort Myers High School Inc. We are both 501 c(3) organizations in the State of Florida.*

Both non profit organizations are registered to 2635 Cortez Blvd. Fort Myers, FL 33901

What personal data we collect and why we collect it

By default WordPress does not collect any personal data about visitors, and only collects the data shown on the User Profile screen from registered users. However some of our plugins may collect personal data.

Media

*If you upload images to the website, or voluntarily provide photos that are used on the site, you should avoid uploading images with embedded location data (EXIF GPS) included. Visitors to the website can download and extract any location data from images on the website.*

Contact forms

By default, WordPress does not include a contact form. If you submit contact information to us, we will use for communicating to you. We will not sell your information.

Cookies

In this subsection you should list the cookies your web site uses, including those set by your plugins, social media, and analytics. We have provided the cookies which WordPress installs by default.

Embedded content from other websites

*Articles on this site may include embedded content (e.g. videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if the visitor has visited the other website.*

*These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with that embedded content, including tracking your interaction with the embedded content if you have an account and are logged in to that website.*

By default WordPress does not collect any analytics data.

Who we share your data with

By default WordPress does not share any personal data with anyone. We will share with third party providers such as payment processors in order to utilize payment services. Please contact [www.paypal.com](http://www.paypal.com) and [www.square.com](http://www.square.com) for details.

How long we retain your data

We may keep contact form entries for six months, analytics records for a year, and customer purchase records for ten years. *For users that register on our website (if any), we also store the personal information they provide in their user*

*profile. All users can see, edit, or delete their personal information at any time (except they cannot change their username). Website administrators can also see and edit that information.*

What rights you have over your data

*If you have an account on this site, or have left comments, you can request to receive an exported file of the personal data we hold about you, including any data you have provided to us. You can also request that we erase any personal data we hold about you. This does not include any data we are obliged to keep for administrative, legal, or security purposes.*

Where we send your data

*Visitor comments may be checked through an automated spam detection service.*

Your contact information

You can contact us directly at [FMHSMusic@gmail.com](mailto:FMHSMusic@gmail.com)

How we protect your data

We utilize safety precautions within the Word-Press environment.

What data breach procedures we have in place

We utilize safety precautions within the Word-Press environment

What third parties we receive data from

We do not receive information from third parties.

Source: Beaver Builder

In terms of GDPR, Beaver Builder products do not collect any personal information from your users. However, some modules such as videos and maps might need you to update your privacy policy accordingly.

Source: Akismet

We collect information about visitors who comment on Sites that use our Akismet anti-spam service. The information we collect depends on how the User sets up Akismet for the Site, but typically includes the commenter's IP address, user agent, referrer, and Site URL (along with other information directly provided by the commenter such as their name, username, email address, and the comment itself).
